ABOUT HOOVER®

The 1st Hoover vacuum cleaner was invented by James Spangler the first portable electric vacuum cleaner in 1907.

For more than 100 years, Hoover® has designed powerful, easy-to-use products that clean your entire home from floor to ceiling, and even the very air you breathe. That's why we're a household icon and one of the most trusted brands in America.

**ONEPWR™
SYSTEM**

**EVERY BATTERY WORKS
WITH EVERY PRODUCT**

Icons: Handheld vacuum, Stick vacuum, Car vacuum, Battery pack, Motor unit, Motor unit with attachment.

The HOOVER® ONEPWR™ system is an innovative family of cord-free, high-performance cleaning products for use in and around the home that shares the same powerful lithium-ion battery.

With 9 products, the HOOVER® ONEPWR™ System offers consumers the versatility they need for cleaning carpets, hard floors, patios and more with the performance and runtime consumers need for a complete clean without being tethered to a cord.
